

THE LAST HURRAH. EN11

Martha is in her office on her computer. Her boss, Gerry, walks by. He is old, near to retirement. It is the same office as Martha was in before.

GERRY

"Good morning Martha. Not such a bad day."

MARTHA

"No. Not so bad."

GERRY

"Any post?"

MARTHA

"Yes I'll get it for you."

Martha hands him the post. Gerry starts to look through the post. He catches Martha's eye, they smile at each other.

GERRY

"You are looking very well today Martha. Going somewhere special this evening?"

MARTHA

"As if."

GERRY

"Well you look well."

MARTHA

"Thanks."

Gerry goes to walk into his office.

MARTHA (CONT'D)

"GE..... Gerry I was just wondering if I could have a quiet word."

GERRY

"Yes of course Martha what is it?"

Martha says nothing.

GERRY (CONT'D)

"Martha?"

MARTHA

"Its a friend of mine well she..."

(long pause)

"She does extra work in her new place of work and well I was wondering, seeing well you are not ma.....seeing you work late here do you need me to do any extras?"

GERRY

"Thanks Martha I will think about itDinner tomorrow night and we could discuss it?"

MARTHA

"That would be great Gerry I am just looking for a bit of extra cash."

GERRY

"Well I am sure we can think of something."

Lifts up post and walks into his office. Martha looks a bit sick.
