

THE LAST HURRAH. EN12

THE SUPERMARKET. THE SAME SUPERMARKET WE SAW MARTHA IN PREVIOUSLY.

Mrs Jacob goes up to customer service and she hands a piece of paper to the woman behind the counter.

MRS JACOB

"Hello dear I was just wondering if you could put this notice on the board for me."

The assistant takes the ad from Mrs Jacob.

ASSISTANT

"Of course no problem I will do it straight away."

OUTSIDE THE JACOB'S HOUSE.

Early morning. A young woman holds up a piece of paper. She walks to the door of the house.

You can see by her expression she thinks the place is very nice. She looks at her watch. She takes a deep breath and walks up the staircase. She rings the bell. The door opens.

Mrs Jacob answers the door. She smiles.
