

THE LAST HURRAH. EN2

SARAH'S HOUSE.

We hear music playing. No dialogue. Sarah moves secretly through her house avoiding Martin. She opens a box hidden away in a cupboard and places money in it. She makes a great effort in hiding it away again. The clock changed to 6pm and we hear the front door open. Martin walks in.

MARTIN

"I'm home!"

She walks towards him as though nothing has been happening. From her face we know she is hiding something.
