

THE LAST HURRAH. EN4

Mr Jacob is lying in bed asleep. Mrs Jacob enters tuttuting. She is clearly very agitated.

MRS JACOB

"You should have seen..."

She tells him detail something that happened in the Bridge game... She stops suddenly, looks around the room, goes over to her wardrobe, opens it.

MRS JACOB (CONT'D)

"Oh. She's not so clean that new girl. This room looks like she barely touched it and downstairs is not much better. Joshua."

(She speaks slowly and directly.)

"You better not have. I thought we agreed. We can't keep getting new girls. Oh don't look like that. You like her then? You never know, she may stay a while... that one seemed a bit different... don't you think? I'll just go downstairs and pour us a glass of sherry. Then you can tell me all about it."
