They are lying in bed together. They hold hands.

Jacob is totally under the covers. He is sleeping. Ada is dressed in her fur coat. The room is dark with only the flickering television for illumination. Ada has a remote control in her hand.

Mr Jacob's voice speaks from the television.

MR JACOB

"Try the coat on again. Do you like it? I bought it for Ada. Its beautiful on you."

The camera pans to the TV. On screen we seen Sarah wearing the coat. Ada rewinds it and plays it again.
